

# The International Music Awards

**THE 2006 INTERNATIONAL AWARD WINNERS**

<http://www.musicaid.org/awards.htm>

I am glad to announce that after winning 2 Gold medals, and 2 Industry Awards at the World Championships of Performing Arts this past summer I was pleased to learn this morning that I had won another World Title for Haiti in the 2006 International Music Awards. The results are out. After hundreds of nominations and thousands of votes from over twenty countries we now have the winners.

## **BEST COMPOSITION**

**Frantz Eddy Daniel** is a composer from Haiti. There were many excellent entries in the Best Composition category but you Frantz Eddy was voted the overall winner. His composition "Reflection" will be featured on the Music Aid Awards CD and he will receive a presentation Gold Disc from The Music Aid Organization for his work.

## **Haiti**
